## Dr. D. N. Deering Appointed Health Officer of Village

### Succeeds Late Dr. Williams; Board Buys More Park- ing Meters

Dr. D. N. Deering was appointed health officer for Antioch Tuesday evening by Mayor James McMillen with the approval of the board of trustees.

He succeeds the late Dr. R. D. Williams who served the village for so many years.

Dr. Deering is one of the village's long established practitioners with general respect.

In other business the village board permitted the Crown Realty Co., to re-subdivide block seven of its Oakwood Knolls subdivision so that the beach will be at a slightly different location. It was found that another area on the shore of Cross Lake was more suitable for the beach.

The board also bought 20 new parking meters from a St. Louis firm to extend the metered parking area. The new ones will be automatic and will not require cranking like the old ones.

The American Legion was granted permission to hold its annual carnival July 7 to 11 inclusive.

## Mrs. Carl Meinersmann, Petite Lake Resident, Buried At Des Plaines

Mrs. Adele A. Meinersmann, 54, of Petite Lake, died Monday, March 1, at 11:45 p. m. at St. Therese hospital where she had been confined for the past four weeks. Death was due to a heart ailment.

She was born April 18, 1899 in Chicago where she lived until moving to Lake Villa in 1921. She was a member of the Antioch Auxiliary of the V. F. W. and the American Legion Auxiliary, No. 748.

Her husband Carl, is president of Calumet Park cemetery at Crown Point, is a real estate and insurance broker and a Lake Villa township justice of the peace.

Relatives surviving besides the husband are one daughter, Mrs. Louis Ostling of Trevor, two sisters, Mrs. Frieda Stoltenberg of Chicago and Mrs. Helen La Manna of Bari, Italy, and two grandchildren.

The funeral was at 1:30 p. m. today at Strang's Funeral home, the Rev. Kenneth Plummer of Lake Villa officiating. Interment was at Ridgewood cemetery at Des Plaines.

## Mrs. Lucy Henneg, 66, Sister of Stella Orians Buried At Round Lake

Mrs. Lucy Henneg, 66, of 221 E. Willow dr., Round Lake Park, sister of Mrs. Stella Orians of Grass Lake, rd., Antioch, died Sunday in St. Therese hospital, Waukegan, where she had been a patient four days. She had been ill for several months.

Born in Chicago, Sept. 19, 1887, Mrs. Henneg and her husband, Robert, moved to Round Lake Park several years ago. Besides the husband and the sister, Mrs. Orians, another sister, Mrs. Lily Gunther of River Grove, survives.

The funeral service was held at 2 p. m. today at the Strang Funeral home in Grayslake. Burial was at Fort Hill cemetery near Round Lake.

## Kufalk Appointed Red Cross Drive Township Chairman

Roy I. Kufalk, Antioch postmaster, has been appointed chairman of the annual Red Cross Drive of Antioch township.

Kufalk said today that he would seek several co-chairmen who will in turn obtain workers for a house-to-house canvass.

All persons who wish to help with this important work are asked to contact Mr. Kufalk.

## Work on Grade School Progressing Rapidly

Work on the new addition to the Antioch Grade school is progressing nicely now, according to Supt. Richard Whitaker who believes that the building will be completed by June 1.

Plastering of the upstairs is about completed and work on the lower floor will be in progress next week. After that will follow the plumbing and the flooring, with all of the mill work and cabinet work yet to come.

"We're hoping there won't be any labor troubles, and as for materials were sure of that."

## All-School Talent Program at High S. Set for March 13

Winners in a series of class talent programs at Antioch Township High school will be presented in a program Saturday, March 13. The Saturday date was chosen so that people of the community may attend.

Each of the four classes at the school have presented a show at the school in past weeks and three acts from each class have been chosen to represent the class in the All-School Show.

The freshmen will present Joan Mair and Janet Rogers in a tap dance specialty; a trumpet solo by Jay Cribb and a vocal solo by Judy Horton.

Sophomores will be represented by Vernon Burdick in a vibraphone solo; a vocal duet featuring Jackie Martin and Donna Reidel, and a tap by Carol Hansen and Lillian McNeil.

What is expected to be a show-stopping act will be presented by the juniors when Ed Haling, Fred Clarke, Allan Masopust, Ed Ring, Ken Van Patten and Paul Mattson don grass skirts for a hula-hula interpretation. Other numbers to complete the Junior segment of the program will see Barbara Smith in a dance and a hill-billy sextette in action. Songsters in the sextette are Rosemary Wolf, Marcia Hogan, Carol Cervenka, Donna Jerde, Joanne Quilty, and Elaine Melosi.

Senior acts will include a quartet manned by Dick Hedberg, Tom McGreal, Jerry Healy, and Larry Lass; pantomime featuring Rosemary Larson and Margaret Schlegel, and a dance number by Richard Huml and Joe Pechulis.

Admission charge will be 40c to all, and the receipts will be divided among the classes for activity funds and the student council, sponsors of the show.

## Polio Drive Nets More Than \$1800

Antioch Township's 1954 Polio Fund drive ended with a total of \$1813.62, according to Chairman A. J. Scully. The drive officially ended on Jan. 31, but late contributions have made it impossible to arrive at a total before this time.

The amount collected compares quite favorably with amounts collected in former years, \$1800 being collected in 1952 and \$2100 collected in 1953.

Scully said that voluntary contributions were few and that without the fine help of many volunteer helpers the drive would not have been a success.

Contributions from community schools accounted for a considerable amount of the total, with Antioch high school students contributing \$51.65; Antioch Grade school, \$114.55; St. Peter's, \$90.10; Emmons, \$16.51; and Channel Lake \$28.00.

Business places which had containers full to overflowing were Triangle Bait Shop, which served free coffee to all who contributed; Pedersen's Bakery, Thompson's Tavern, Card's Restaurant, Otto's Steak House, Herman Holbeck's and Kelly's Tavern.

## Art Rosenfeldt Recovering, to Return Here Soon

Arthur Rosenfeldt, former village trustee and employee of the Ford garage, has been seriously ill at his home in Sarasota, Fla., where he and Mrs. Rosenfeldt went last fall to make their home.

Mr. Rosenfeldt underwent an operation and is now recuperating. He and Mrs. Rosenfeldt expect to return to Antioch some time in May.

Mr. and Mrs. Jack Woods of Lake Marie returned Saturday from Florida where they spent a month visiting Mrs. Woods' sisters and they called on the Rosenfeldts. Mrs. Rosenfeldt sent her thanks to the Antioch friends for all of the cards and letters that have been sent during Mr. Rosenfeldt's illness.

## Antioch, Lake Villa to Play in An Invitational Tourney at Libertyville

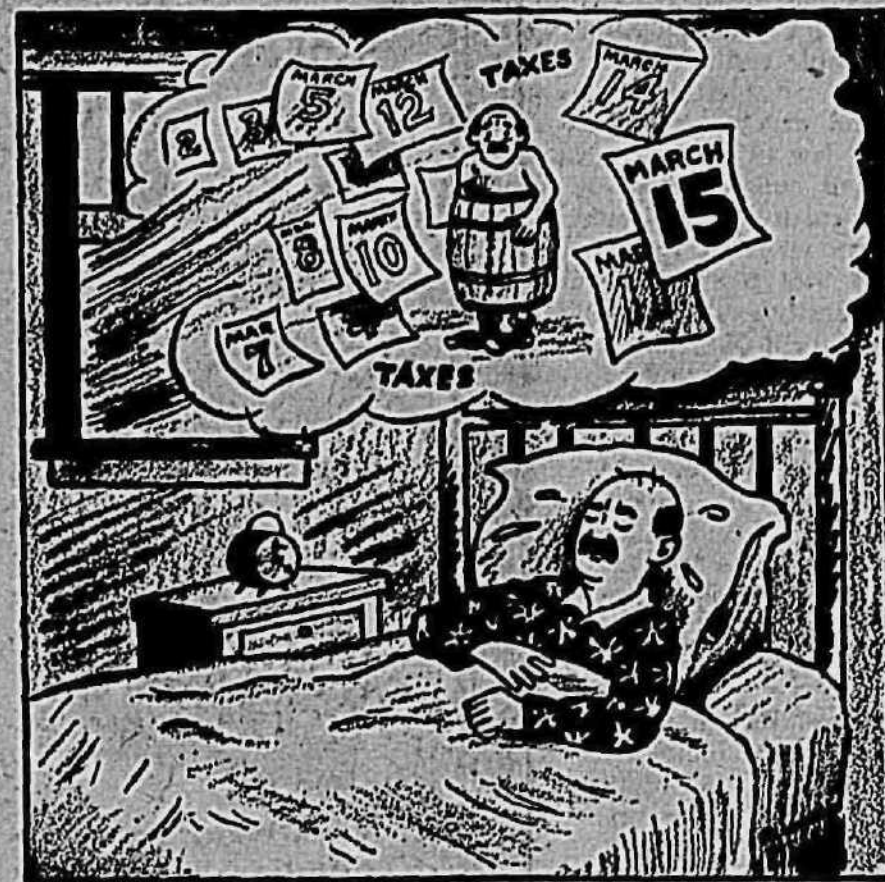

The Antioch Grade school basketball team will take part in an invitational tournament at Libertyville tomorrow night.

The contest will be at the Highland school starting this afternoon with Zion playing Gurnee at 3:30 p. m. and Diamond Lake playing Lake Villa at 4:30 p. m.

Antioch drew Highland school for its first game at 8 p. m. Friday and Woodland School of Warren township will play Lake Forest at 7 p. m.

The semi-finals will be played Saturday forenoon and the finals in the afternoon.

## MARCH WIND'S DREAM

## Fatally Wounded Cab Driver Found on Road Near Millburn Tues.

The body of Charles Thompson, 52, Waukegan cab driver, who was fatally shot and robbed of \$15 was found on the roadside at Crawford rd. south of Rte. 173 near Millburn Tuesday.

Thompson was found by Robert True, manager of the Martindale farm, and Kenneth McRae, a farm hand, and it was not known that he had been shot until he was taken to Lake County General hospital where a bullet wound was found in the man's shoulder. He died before he was able to give any information about the shooting.

The sheriff's office has asked for any information whatsoever of Thompson's whereabouts on Tuesday. His cab was found abandoned on Jackson st., south of Grand ave. in Waukegan, where it is believed the murderer left it after dumping Thompson on the country road.

## Part of Hickory Dist. Seeks to Join Antioch

A petition, filed with County Superintendent W. C. Petty, asking that a part of the Hickory school district be annexed to Antioch Grade school district, was withdrawn Tuesday, when opposition to the move developed in Hickory district.

Asst. County Superintendent William Thompson said today that it is believed the petition will be re-filed in amended form some time this week.

While no information as to the exact content of the new petition is available, it is believed that it will include sections 1 and 2 of Antioch township, lying in the northern tier of sections of the township. Section 2 lies west of route 45 and section 1 is east of route 45. Also included is approximately one-quarter of section 12, which is located immediately south of section 1.

No information as to the assessed value of the land in question has been made available, since the petition has not yet been filed, but an estimated eight pupils now reside in the sections in question.

When and if the petition is filed, the question will be resolved by the County Board of School Trustees. Thompson said that while the action of the county board is binding on all the school boards involved, he believed that the county board would be guided by wishes of the boards.

It is believed that opposition to such a move may develop in Antioch, since many taxpayers feel that expansion of the district has resulted in increased taxation through necessity of enlarging buildings and increased costs of personnel.

## Rentner Purchases Ted's Sweet Shop

Henry J. Rentner, former owner of the H & H transfer truck line, has purchased Ted's Sweet Shop, Lake st., Antioch, effective Mar. 1.

Rentner announces that the name of the establishment will remain unchanged as will store hours and services.

Ted Poulos, former owner, and operator of the business for many years, said today that he has not made any plans for the future other than taking a long vacation.

## Increase Capital Stock

The State Bank of Antioch has raised its capital stock from \$75,000 to \$100,000 by issuing one share of \$100 par value common stock for every three shares held by stockholders of Jan. 13.

## Legion to Present Wrestling Show on Tuesday, March 16

Village President James W. McMillen Will Referee

Fans of wrestling will have the opportunity of viewing the sport at close hand on Tuesday, March 16, when the local American Legion post will sponsor a show involving a good many well-known grapplers at the high school auditorium.

A contract with Fred Kohler, wrestling promoter, will see Farmer Jones, Zack Malkov, The Great Balbo, Larry Chene, Ray Gunkel, Billy Goetz, Gypsy Joe, and "The Great" Tor Yamato in action.

Of great interest here also will be the appearance of Village President James McMillen who will referee the bouts. McMillen, long a top wrestler, has lately turned his talents to keeping order in the ring rather than disrupting it, and has proved a great favorite with fans in the mid-west.

Warren Polley, a member of the high school faculty will act as ring announcer.

A committee headed by Dan Lightsey, will complete all details, and a number of subcommittees have been appointed, insuring smooth working of the event.

The high school gym has a capacity of 1500, and ringside seats, numbering 500 will be sold at \$2.50. General admission duets will claim \$1.50.

## February Mild Month, March Brings Cold and Snow in Varied Depths

February as a whole was an unusually warm month this year, the record of Roy Kufalk shows.

The high for the month was 59 on the 15th, and the low 2 degrees above zero on the 12th, just three days apart.

The precipitation was good, amounting to 2.37 inches of which 6 inches fell in snow.

March came in rather mild but by the second day showed its real nature by hurling a snow storm with high winds across the midwest.

Antioch got very little snow but 10 miles south the snow grew deeper until in Chicago 12 to 15 inches were registered. The cold wave from the north brought temperature down to 15 degrees and lower.

## Terms of Wertz, Cardiff On School Board Expire

The terms of Charles Wertz and Harold Cardiff on the Antioch Consolidated Grade School board of education have expired. No candidacies have been announced as yet, according to Supt. Richard Whitaker. The election will be on April 10, and petitions for a place on the ballot must be filed by March 20.

## Irving Careys Recovering

Mr. and Mrs. Irving Carey, who suffered injuries in an automobile accident which occurred Sunday, Feb. 21 are recovering nicely.

Mr. Carey has been back at his place of business, the Carey Electric and Plumbing shop, for several days.

Mrs. Carey was reported to be recovering also and has been able to be up during the last two days. They are staying at the home of Miss Grace Carey, Wilmet, for the present, but expect to occupy their home on Main street within a few days.

## Antioch Beats Grant for Co-Championship 57-40 and Defeats Bulldogs Again in Regional 54-51 Frosh-Soph Team Beats Grant, Also Co-Champs

### Big Antioch Crowd at Crystal Lake to Cheer Sequoit Team

A large portion of Antioch's population moved bodily to Crystal Lake Tuesday night in supporting the Antioch Township High School basketball team in its tournament game with Grant High.

Business men, professional men, farmers, and their wives joined the high school students to the number of 500 in forming a mighty cheering section for the Sequoits in contrast to the Ingleside-Fox Lake crowd made up mainly of students.

It was a happy crowd that returned even though it was about nerve wrecked by the see-saw closeness of the score.

All got back safely despite icy roads, but the school buses had to detour around Rte. 12 when a big truck became stalled on a hill and blocked the roadway. There was much complaint because state road men had not placed cinders at bad places.

It is estimated that a still larger crowd will go to Crystal Lake tonight to cheer Antioch to victory. Although the Sequoits are the underdog in this game the cry is:

"We did it before and can do it again."

## Dr. Bradley Declares U.S.A. Should Stand Firm Against Russia

The United States has not learned from her past experiences and from history in dealing with dictatorships like Russia, Dr. Preston Bradley, pastor of the Peoples Church, Chicago, told an audience of 200 persons at the high school auditorium Monday evening.

Dr. Bradley was brought to Antioch by the Business and Professional Women's club.

"We should have stopped Hitler at the Ruhr," said the speaker. "We are afraid to stand up for our rights when we know we are right, and let the dictators take advantage of us."

Dr. Bradley said that World War II was unnecessary.

He said that he had no fear of the moral or economic warfare of the United States, but he said he was amazed at the fear of Russia now existing in the United States. He said that the only place he saw directions to a bomb proof shelter was in New York and Chicago.

"The people of Europe don't seem to have that fear," he said.

Dr. Bradley drew from history and from the words of Plato, Aristotle, Jefferson, Madison, and Washington the tactics of the dictator and the inevitable end for dictatorship.

He would have no yielding to Russia.

The speaker has made 32 trips to Europe and plans to return there again this summer.

## Antioch Graders Win In District Music Contest February 27

Pupils of Antioch Grade school showed up well at the Annual District Music contest held Saturday, Feb. 27 at Plainfield, Ill.

Among those bringing back honors to the local school were Brian Cain, who placed first in the cornet contest; Sonya Pickus, a first place winner in the French horn division; and the clarinet quartet, composed of Faye Mann, Barbara Yates, George Mantis, and Dianne Mantis, who placed third in competition.

The two first place winners will advance to the Sectionals in the state contest which will be held in Bloomington, Ill., during May.

## Haviland and Floyd Named on All-Star Conference Quintet

Ben Floyd and Mike Haviland, regulars on the championship Sequoia basketball team, were named this week on the all-star five of the Northwest Conference.

Floyd was one of the forwards chosen, while Haviland was placed at guard. Other conference players named were Jay Hook, Grayslake, forward; Glenn Chaffin, Elmhurst, center; and Bill Grenell, Grant, guard.

No other players of the Antioch squad placed on either the first or second all-star team. The men honored were chosen by ballot by the coaches of the conference.

## Sequoits to Meet Elgin at Crystal Lake Tonight In Semi-final

Antioch High's mighty Sequoits defeated the Grant Bulldogs here last Friday evening 57-40 and to prove superiority still further, beat them again Tuesday night in tournament play at Crystal Lake 54 to 51.

The two victories avenged a defeat at the hands of the Bulldogs earlier in the season and leaves no doubt in the minds of local fans which is the better team.

Several hundred persons were turned away for lack of room Friday night as a record crowd of 1,100 persons saw the Sequoits humiliate the Bulldogs.

Grant was definitely off form while the home team was hitting on all cylinders. Antioch jumped to an early lead and was out in front 26 to 17 at the half. From then on it was all Antioch's game.

During the second half Coach Scott's Sequoits kept pelting the basket and 42 per cent of their shots were good. They made 17 of their 19 field goals.

It was pure team work that spelled victory for Antioch. Ben Floyd, Fred Clarke, and Larry Lass worked excellently around the boards and Mike Haviland and Larry Lass turned in sparkling floor games. Haviland and Lass scored 14 points each, Floyd 12, and Brownlee 10.

The Sequoits held Grant's high scoring ace, Billy Grenell to 12 points.

Sophs Win Championship

The evening was a perfect one for Antioch because the frosh-soph squad coached by Warren Polley beat the Grant underclassmen 47 to 33 in an overtime preliminary game. It gave Antioch a share in a three-way tie with Elmhurst and Grant for the conference championship, which Antioch held last year.

Al Reckers was high point man for Antioch and Wally Leffler, whose field goal in the last three seconds of play threw the game into overtime, was high point man for Grant. Both made 17 points.

## Meeting Sunday Will Start Little League

Antioch's 1854 Little League will get its first impetus Sunday when a meeting of coaches, officials, parents and other interested persons will convene at 2 p. m. at Antioch Grade school.

President Charles Larson said that general business will be transacted and that plans for the forth-coming season will be formulated.

He reports that the new diamond, located on the village park land on Williams street, is almost completed. Only the fences and other odds and ends of the work remain to be done.

Larson commented on the Antioch Little League and said that the local set-up was one of the best and that all rules of the national organization were being complied with. In some instances, local Little Leagues have "packed" teams in order to get into the national competition at the end of the season.

Antioch, he said, has always ways operated on the theory that such practices lead to poor sportsmanship and lessened interest on the part of players.

## Scott, and Biel File For High School Board Seeking Another Term

Fred Scott and Louis Biel have filed petitions for re-election to the Antioch Township High School Board of Education. Both Scott and Biel are incumbent members of the Board and are each seeking an additional three year term.

The election of two members will be held at the high school and Lake Villa Grade School on Saturday, April 10. Nominations for members of boards of education shall be made by petition signed by at least fifty voters or ten per cent of the voters, whichever is less, residing within the district, and filed with the secretary of the board of education.

These petitions should be accompanied by a statement of acceptance of candidacy signed by the candidate. The necessary forms may be secured from Louisa A. Biel, secretary of the High School Board. Petitions may be filed until March 20. Candidates may withdraw their names from the ballot if they notify the secretary in writing on or before March 28.

### Repugnant Goal

The head of a labor union recently said that one of his organization's major goals this year will be to persuade all members to patronize only those gas stations and other retail outlets that display the union's shop card.

Of that extraordinary proposal, the Lennox, South Dakota, Independent, observed, "We are fairly sure that this 'goal' is as repugnant to other independent businessmen as to us. Purchasing power used in this manner could soon stifle small independent business and have everyone being led around by a ring in the nose by the big labor bosses. That the members of any organization in our town, should purchase all their grocery needs, for instance, from only one local store, is unthinkable and undemocratic. No small town would long survive under these conditions. It seems impossible that a free American citizen can be so dependent upon a labor union for their daily bread that they must let themselves be told where they can or cannot buy that bread."

Actually, of course, nothing could do more harm to labor's legitimate interests. The plan would lead to monopolies in merchandising—which inevitably means high prices, poorer products, or both. The union member, like the rest of us, wants the best possible return for his money when he goes shopping. That's what he gets under free competition. He couldn't get it under any other system.

### In the Interest of Us All

Everybody agrees that the railroads are a 100 per cent essential industry. We also agree that the country must have the best and most extensive rail transport possible—which can only be provided by an industry which charges fair rates, sufficient to pay the costs and return a reasonable profit.

A bill now in Congress would do away with an unnecessary and unjustifiable inequality which has long made sound rate-making for the rails and other regulated carriers impossible.

The measure is known as the "time lag" bill. It is designed to avoid undue delay in the adjustment of rates and fares which are made necessary by increases in wages and other costs. This doesn't mean it would give the carriers carte-blanc to charge what they choose. It would simply direct the Interstate Commerce Commission to authorize within 60 days such temporary rate increases as it believes proper; to conduct such further investigations as may be necessary to reach a final decision; and, if the increase finally allowed is less than the initial temporary increase, to require the carriers to return the difference. Thus, the interest of the public is fully protected.

Under present conditions, many months normally pass before the ICC can approve rate increases. It is

estimated that this caused the regulated carriers a loss of more than \$1,000,000,000 during the 1946-52 period alone. No business can do its best when it is financially hungry. The time-lag bill is in the interest of all who patronize the common carriers or use goods which travel by common carriers—and that means everyone.

### Consumers Set the Values

Many a housewife often wonders why one cut of beef, off the same steer, may cost twice as much as another.

There's nothing mysterious about it, however—and it isn't caused by ominous human connivance. It is the natural and inevitable result of two factors—the physical make-up of that steer, which no one can do anything about, and the law of supply and demand, which is a natural law as old as civilization.

Take, for example, two cuts of beef—a fancy steak and a pot roast. The steak sells at around \$1.00 a pound—and the pot roast, which is equally nutritious, sells for about half that figure. The reason for the disparity in price is easily explained. A 1,000-pound steer provides only about 35 pounds of top-priced steak—while it provides three times as much pot roast. And the steak is generally held in higher esteem than the pot roast.

The upshot is that demand for the steak in relation to supply is very high—while in relation to the pot roast it is much lower. And that is what determines the price we pay. In the free market, in other words, the consumers themselves, acting en masse, set the values. This is true of everything in general use.

"It is government's responsibility in a free society to create an environment in which individual enterprise can work constructively to serve the ends of economic progress,"—President Eisenhower.

### The Low Down From Hickory Grove

Today I venture to discourse on the theme of "Pride." She halfway looks to me as if we are in need of a revival, camp-meeting or something that will get us back to 100 per cent dependence upon our very own efforts to keep our individual boats afloat and making headway. Too much leaning has become the mode—and if you are not operating under your very own steam, you can't have too much pride or confidence in your own skill and ability. We have had so much Govt. telling us to be calm and do so and so that we have lost some of our grip on ourselves. You see it all around—let the Govt. do it.

The lunch club spellbinder says, folks let's get it—free Govt. matching money for a new airport or something, and the idea carries unanimously. And out the window goes local pride in local ability.

The very newest idea is hospitals. Hospitals are needed—more and many of 'em—but matching Govt. money means a back seat for local management. Also it means heftier costs in the long run—March 15th is bad news day. That is the day you repay the "gift" dinero that Sambo dished out so lavish. Even though I see good signs of progress in getting Sambo out of fumididdles here and there—and that is good—it is no time to look away, or gaze out the window. PRIDE needs burnishing.

Yours with the low down,

JO SERRA

## MILLBURN

## WILMOT

The First Methodist church in Colorado Springs, Colo., was the scene Feb. 20 of the marriage of Miss Joyce R. Newell and Capt. Richard E. McGovern. Dr. Ben Lehmborg performed the 5 p. m. rite before an altar banked with candelabra and baskets of white flowers. The bride is the daughter of Ivan Newell, Wilmot, and Capt. McGovern's mother is Mrs. Edward McGovern, Long Island, New York.

Miss Newell wore a ballerina length gown of white nylon net and lace with a matching long sleeved jacket. A lace Juliet cap held a blusher veil of nylon illusion. Carrying white roses and stephanotis, she was given in marriage by her father.

Miss Mary Lou Hill, honor attendant, wore a ballerina-length frock of pink embroidered cotton and a matching straw cloche. She carried pink carnations and white daisies.

Lt. Hervey Bigbee was best man. A reception for 75 guests was held after the ceremony at Camp Carson's Officers' club. After a wedding trip to Arizona, the couple will reside at 1535 Meata rd., Colorado Springs, Colo.

The bride is a graduate of Wilmot High school and Michael Reese hospital's school of nursing, Chicago, and was stationed at Camp Carson. Also based there is the bridegroom, a graduate of Fordham university and New York University's school of medicine.

## Come drive the CENTURY

biggest horsepower bargain of 1954!

THE invitation you see headlined  
there calls for action—and  
comparison.

For you have to see and drive the  
200-horsepower CENTURY—and  
check its local delivered price—to  
know how it puts other automobiles  
in this Buick's dollar class on the  
spot.

Look for yourself—and you'll see  
what we mean.

Look at styling, new-day features,

visibility, interior modernity, ride  
comfort, handling ease—we believe  
you will find nothing on the automo-  
tive horizon to equal the CENTURY  
on all counts.

But what will prove to be the most  
eye-opening news of all is the power  
buy you make in this spectacular  
Buick.

When you compare—when you  
check the facts—you find that you  
are buying more horsepower per

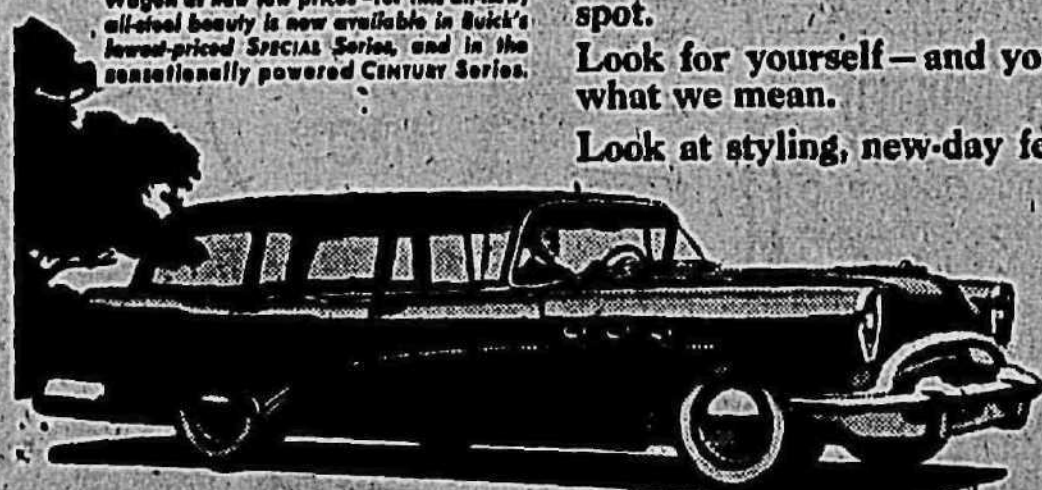

dollar in a CENTURY than you get  
in any other standard-production  
American automobile, bar none.

And it is horsepower that gives you  
brilliant performance, greater  
economy, new safety—for here you  
get the highest power-to-weight  
ratio in all Buick history.

Why not come in and see the whole  
story come alive when you take the  
wheel of a Buick CENTURY?

We know of no better way to prove  
to you that this gorgeous, glamor-  
ous sweep of automobile is the  
power buy of the year—by far.

Now you can buy the famed Buick Estate  
Wagon at new low prices—for this all-new,  
all-time beauty is now available in Buick's  
lowest-priced SPECIAL Series, and in the  
sensationally powered CENTURY Series.

# SOCIETY EVENTS

## Methodists Sponsor Lenten Programs; to Hear Dr. Macy Tues.

The Antioch Methodist Church is sponsoring a series of Lenten programs each Tuesday during Lent, on the theme: "Christ, the Hope of the World." This is also the theme of the Second Assembly of the World Council of Churches, meeting in Evanston from August 15 through August 31, 1954, and the series, bringing five outstanding speakers, will provide a wonderful opportunity to gain new understanding of this important event. Each evening will begin at 8:30 with pot luck supper, followed by the address.

The Rev. Paul Griswold Macy, D. D. will begin the series on Tuesday, March 9, by talking on: "The Second

DR. MACY

Assembly, of the World Council—Who? What? Why? Dr. Macy is an outstanding authority on the Ecumenical Movement (the movement toward unity in the churches), and is Program Director for the Committee of One Hundred, which is assisting in preparations for the second Assembly of the World Council. Dr. Macy was graduated with an A. B. from Yale University, and a B. D. from Hartford Theological Seminary. He received his D. D. from Marietta College in recognition of his service, not only to the ecumenical movement, but also to the cause of world peace. Prior to his work with the World Council of Churches he served pastorates in Congregational Churches of Massachusetts, Ohio, and Illinois.

Remaining programs of the series feature: Dr. Tyler Thompson, associate professor of philosophy of religion at Garrett Biblical Institute, speaking of "Christ, the Hope of the World," and "Christian Responsibility for Society."

Dr. David Shipley, professor of historical theology at Garrett Biblical Institute, speaking on "The Christian Witness in the Day's Work."

The Rev. Tom Sampson, Pastor of the Community Protestant Church (Congregational), Mundelein, Illinois—subject to be announced.

## NELSON RETURN FROM TRIP TO NEW MEXICO

Mr. and Mrs. Wendell Nelson returned home Monday following a three-week trip to New Mexico and intermediate points. They visited Mrs. Nelson's parents, Mr. and Mrs. Roy Wrigley at Alamogordo, N. M., and on their return viewed historical spots at San Antonio, Galveston, and New Orleans.

At New Orleans they saw the Mardi Gras festival Friday and at Natchez Sunday they were privileged to go through six southern mansions. They saw the confederate pageant Sunday evening at Natchez.

## MRS. JENSEN OBSERVES NINETY-SECOND BIRTHDAY

Mrs. N. C. Jensen of 324 Park Ave. celebrated her ninety-second birthday with a family gathering at her home Sunday. On Thursday, the actual anniversary date, a number of her long-time friends visited her. Birthday cards, birthday cakes, candy and flowers were received and did much to make her birthday anniversary a happy one.

Celebrate Golden Wedding Mr. and Mrs. W. H. Miller of Lake Villa were given a good reminder of their golden wedding anniversary Wednesday afternoon of last week when neighbors gathered at their home at a surprise party. They brought flowers and cake which they served with coffee.

Mr. and Mrs. Ernest Ott returned home Saturday after a month's vacation in Florida. While at the pier in Miami they met Mr. and Mrs. Ray Jensen of the Gibbs and Jensen sporting goods store. The Ott's had made a good catch of king fish, 43 in all.

Mrs. Mollie Somerville was hostess for her bridge club on Tuesday. Mrs. Fred Hawkins, Mrs. Mary Golden and Mrs. Lena Kuhaupt were the prize winners of the afternoon.

The V. F. W. Auxiliary will sponsor a card party Saturday, March 6, at 8 p. m. at the parish hall. Refreshments will be served. All proceeds will go to the cancer fund.

## Chinese Lecturer Attracts Many at Meeting March 1

Miss Lucy Huang, speaker at a meeting of the Antioch Woman's club, held Monday, March 1, attracted a large audience, in addition, the meeting was "guest day" which also increased the attendance.

Miss Huang's address was much enjoyed by the assemblage, and touched mainly on difference in customs of her native land and the United States. Most marked, she said is the economic standards of the two countries, as well as the reverence of old age in her land. Here she said, youth is worshiped, in China the very old are most honored. She told listeners that if the women of the world could work together, as sisters, that world problems would soon dissolve into nothingness.

Committee for the meeting included Mesdames W. C. Petty, C. E. Hennings, Alma Bobzien, George Bacon, Joseph Patrovsky, Sr., Eugene Sheehan, O. L. Raelher, Ernest Simons, and William Keulman.

## Anniversary Mass

An anniversary mass will be said at St. Peter's Catholic Church, Antioch, Ill., for 1st Lt. Anton J. Cermak Graham on Thursday, March 11th in memory of his 34th birthday. He was killed August 29th, 1944 in the battle for Brest, France. Lt. Graham was the son of Mr. and Mrs. Richey V. Graham, 1341 Park ave. and Channel Lake, Ill., and the grandson of the late Mayor Anton J. Cermak.

The Ladies' Auxiliary of St. Ignatius' church will serve the first Lenten luncheon on Thursday, March 11, at the parish hall. Serving will begin at 11:30 and business people will be given special attention.

Mr. and Mrs. Leonard Fischer are spending a few days in Champaign, Ill.

Miss Iva Baldwin of Elgin spent Monday with her sister, Mrs. Frank Runyard of Channel Lake.

Mr. and Mrs. James Herman and daughters returned home Saturday after a month's vacation touring the western states.

All members of the V. F. W. Auxiliary are asked to be present at the March 8th meeting when the annual election of officers will be held.

Mrs. Emma Roblin entertained 40 guests Monday at an open house at her home on Osmond st. Father Henderson was present and blessed the new home.

## HICKORY

Miss Lynn Fox celebrated her seventh birthday on Thursday, Feb. 25 with a party at her home after school for five of her school friends. Mrs. Betty Hackmer of River Grove, Ill., visited her sister, Mrs. William Richards on Sunday afternoon.

Mr. and Mrs. William Hallada and two children, Vaughn and Harriet, from Port Washington visited the Harrie Tillotson family from Saturday afternoon until Sunday afternoon. Sunday was Mrs. Hallada's birthday.

The P. T. A. of Millburn school will hold a card party at the Millburn hall on Saturday evening, March 13.

The William L. Strahan family have moved onto the farm on Edwards road that was owned by William's great grandfather, Andrew Strahan, many years ago.

Miss Uldine Andersen of Grass Lake visited the Gordon Wells family Sunday afternoon and evening.

Mrs. Curtis Wells has a birthday on March 3rd. She says her best birthday present was a letter she received on Monday, March 1st, from her son, Richard, in Korea. He wrote "Happy Birthday, Mom. I am coming home." Sgt. Richard Wells left Korea on Feb. 22 for Japan and then on to the States by boat. Mrs. Richard Wells and daughter "Elaine" (who hasn't seen her daddy) were hoping he would be home to help celebrate her first birthday on Thursday, March 4.

Mr. and Mrs. William Strahan of Rte. 173 were Wednesday afternoon callers at the Earle Crawford home.

The Wilbur Hunter family had an anniversary dinner at the home of Mrs. Dorothy Van Patten on Sunday afternoon. They celebrated Jerry Hunter's 24th birthday (Feb. 25) and John Van Patten's 11th birthday (Feb. 27th) and Mr. and Mrs. William Gerber's 13th wedding anniversary (March 1).

Mr. and Mrs. Vito Schaefer and family from Kenosha were Sunday afternoon visitors at the William Richards home.

Millburn chapter O. E. S. will hold a card party on Saturday evening, March 6th at the hall. There will be prizes and refreshments.

Miss Judy Sheehan attended a school dance at St. Peter's hall on Saturday evening.

## Chicago Detective Will Address Lions Monday; Plan Athletic Banquet

Two very excellent programs have been arranged for the March meetings of the Antioch Lions club, officials announce.

Dr. James Kopriva has obtained Lt. John B. Ascher as speaker for the Monday, March 8, meeting.

The dinner and program will be held at Smart's Country House at 7:15 o'clock.

Lt. John Ascher is head of the Crime Detective Laboratory of the Chicago Police Department. He is a graduate of DePaul University and during his senior year was elected captain of the varsity basketball team. Soon after joining the Chicago Police department, Lt. Ascher was appointed acting chief of the homicide division. It was as the head of the homicide division that he received statewide recognition for his outstanding detective work on the famous Degan case. Lt. Ascher was prominently recognized by the city of Chicago when he was awarded the Tribune prize for heroism relative to a burglar case.

For the past five years Lt. Ascher has headed the important Crime Laboratory of the city of Chicago. He has 15 years tenure with the Chicago police department.

The annual high school athletic banquet has been planned for Monday, March 22, according to Irving Carey. The banquet will be prepared by the high school cooks and served in the cafeteria by the home-making department. The main speaker for the banquet will be Bill Fisher of Notre Dame football fame.

## Sequoit Lodge to Confer Master Mason Degrees

Sequoit Lodge No. 827, local Masonic lodge, will hold a special meeting at 8:30 p. m. Friday, March 5 at the Masonic temple.

The lodge will confer two third degrees which will cause the meeting to begin earlier than the usual time. "It is our hope that we will have a very good attendance to confer these two important master mason degrees," said Bernard Guillaume, worshipful master of the lodge.

Robert Pincombe, junior warden, and his committee will be in charge of the refreshments following the meeting.

## Otto Klass Visits Here

Otto Klass of Miami Beach, Fla., was an Antioch visitor on Monday. He also visited his daughter, Doris and his new granddaughter, Barbara Ann Marshall, born February 26 at Ann Arbor, Mich. Mr. Klass urges any of his friends from Antioch who come to Florida to visit him and Mrs. Klass.

Mr. and Mrs. Eldon Gordon entertained eight members of the Richmond Fraternal club at their home on Corona avenue Tuesday evening.

Mrs. Lillian Gartley of Waukegan spent the week end with her mother, Mrs. Nellie Hanke.

QUALITY FACTORS IN

ANGEL CAKES

Start with good-quality egg whites if you want a top-quality angel cake with a larger volume and better flavor, advises Mrs. Pearl Janssen, foods specialist of the University of Illinois. Use either fresh eggs or egg whites that were frozen when they were fresh and have been properly stored.

If you have the egg whites at room temperature, you will be able to whip them to a larger volume than if they are chilled. The amount of beating and the speed you use will also make a difference in the volume of the egg foams.

There are different ways of mixing angel cakes. One way is to add the cream of tartar and the salt to the egg whites, and then beat them at high speed until they are stiff and fine but not dry. When this is accomplished and the egg white foam is fine to the very edge of the bowl; use low speed and sprinkle the sugar about one tablespoon at a time over the egg whites. Each time just mix until the dry sugar is blended and dissolved.

Add the flavoring next, and mix at low speed. Continue using low speed as you add the flour in the same way as you did the sugar, sprinkling it over the egg and sugar mixture one tablespoon at a time and mixing at low speed only until no dry flour is visible. Do not mix too much!

Use an ungreased tube pan for angel cake. This allows the batter to reach its full height, since it can cling to the sides of the pan as it rises and bakes. Run a knife back and forth through the cake batter to break up the large air bubbles. Smooth the top and then place on the lowest rack in your oven and bake at 425 degrees Fahrenheit until the top is a medium brown (about 15 to 20 minutes). Turn off the heat and continue baking until done (about 10 minutes). The cake is done when an inserted cake tester comes out clean.

Turn the pan upside down and let the cake hang until it is cool. Store it in the pan; you'll find that it is always better the second day after baking.

## T-Men Ask Taxpayers To Furnish Complete Data and Information

Taxpayers visiting the branch offices of the Internal Revenue Service for help with their federal income tax returns should bring all necessary data and records with them, E. J. Sauber, District Director of Internal Revenue, said today.

Mr. Sauber explained that Internal Revenue agents, when asked to help prepare a return, must have all data and records pertaining to the taxpayer's 1953 income, exemptions, and deductible expenses.

"It is especially important that the taxpayers also bring all tax withholding statements they receive from employers," the official said.

"Our agents will render as much service to each taxpayer as time and personnel limitations permit," he assured the public. "But taxpayers can do their part by filling out as much of the tax return as they can and bringing with them full and accurate data and all withholding statements."

Local Superintendent

Invited to Conference

Richard Whitacre, superintendent of Antioch Grade school, has been invited to attend the ninth annual Superintendents Conference Friday, March 19, at National College of Education, Evanston, Ill.

More than 200 superintendents from Illinois, Indiana, Wisconsin and Michigan have been invited to discuss "The Next Decade—A Challenge to Educational Leadership," the conference theme. The conferences are sponsored by the private teachers' college to give public school administrators the opportunity to acquaint themselves with new developments in teacher-education and to exchange ideas and information.

Brattleboro, Vt., February 26—Robert L. Hunter, of Antioch, has recently had his herd of registered Holstein-Friesian dairy cattle classified for type (body conformation) under the official Type Classification program, conducted by The Holstein-Friesian Association of America, national organization of Holstein-Friesian cattle breeders.

Official inspector was M. R. Campbell, Oconomowoc, Wis. This was the first time the herd has been classified under the official program, maintained in an effort to improve still further the Holstein breed.

Of 47 eligible animals in the herd now classified, 1 is designated "Excellent," 11 "very Good," 22 "Good Plus," and 12 "Good."

Card of Thanks

We wish to express our sincere thanks to our friends, relatives, and neighbors for their many acts of kindness and sympathy during our recent bereavement. Our special thanks to the Antioch Rescue Squad, Herman Holbek, Dr. I. L. Breakstone and Rev. L. H. Messersmith.

The Andrew Anderson Family.

Card of Thanks

I wish to extend my sincerest thanks to the members of the W. S. C. S. and all my neighbors and friends who remembered me during my illness with cards, gifts, flowers and prayers.

Local K. C. Receives Charter; Initiation Set for March 21st

The Supreme Office of the Knights of Columbus has notified Robert Berg of Antioch, temporary chairman, that sufficient candidates from the Antioch area have signed up to permit the issuance of a charter. The Antioch group has been assigned charter number 3800.

There are at present between 50 and 75 members, and the men have high hopes that more than 100 men will become charter members of the council before the initiation to be held at St. Peter's church on Sunday, March 21.

A name for the council and a complete slate of officers will be selected after the initiation.

In Memoriam

In loving memory of our Dear Husband and Father who passed away one year ago, Mar. 3, 1953. Gone is the face we loved so dear; Silent is the voice we loved to hear; Too far away for sight or speech; But not too far for thought to reach. Sweet to remember him who once was here And who, though absent, is just as dear.

Mrs. Louis Jarniga and Children

Card of Thanks

I would like to thank all my friends who remembered me with cards and gifts while I was in the hospital and since I have been home. They are greatly appreciated.

Mrs. Bertha M. Burnette.

If there is one business the public would believe as remaining strictly independent, it is that of the junkman.

Yet, if the Federal Trade Commission proves charges it has filed in regard to the iron and steel scrap industry, the long tentacles of monopoly practice have now touched the junkman.

The complaint charges that Luria Brothers and Company, Inc., of Philadelphia, C. W. Harder and subsidiary Southwest Steel Corporation has engaged in a huge conspiracy to restrain free flow of iron and steel scrap.

Also cited in complaint are many iron and steel producers, headed by mammoth United States Steel.

As is well known to all who cooperated in wartime scrap metal drives, scrap is vital in steel production, as virgin iron ore is not sufficient by itself.

FTC alleges Luria Bros., acting as brokers, has coerced both suppliers and buyers of scrap to deal only with them. In addition, they have conspired with steel mills, including U. S. Steel, to permit them to act as exclusive or substantially exclusive brokers of the mill scrap needs.

In addition, FTC charges, Luria Bros. and Southwest sells finished and semi-finished iron and steel products to fabricators on condition the fabricators sell all their scrap to Luria.

## Antioch Beats Grant....

(Continued from page 1)  
throw opportunities paid off for Antioch in the game with Grant at Crystal Lake Tuesday night.

Outscored from the field 17 to 20, the Sequoits played a careful game and in the last minute and fifty seconds, got a slight lead which gave them mastery of the situation.

Grant fouled in trying to get possession of the ball and Lass made all four free throws after being fouled.

Billy Grenell, Grant's scoring ace made the foul that gave Antioch her victory.

Grenell placed the Bulldogs out in front during the first quarter 14 to 7, but in doing so drew three fouls, and sat the second quarter out. The Sequoits then tied the score 22 to 22 at the half.

They kept pace with the Bulldogs during the third quarter, the score changing hands several times and ending 35-33 Grant at the end of the quarter. Larry Lass, Fred Clarke, and Jack Palmer came through in the final quarter to pull the Sequoits from behind tying the score at 48-all and then gave them the edge which meant the game.

Coach Scott declared that David Cain played a fine defensive game and aided materially in producing the victory even though the box score doesn't credit him with points.

## LAKE VILLA

Rev. Kenneth M. Plummer was guest speaker at Frankfort, Ill., on Sunday as a part of the Evangelistic campaign being conducted by Methodist churches in the area at this time and will speak at meetings held each evening at Frankfort during the week. In his absence at his home church on Sunday the Rev. Albert C. Hoover, director of the state department of the Methodist community church last Sunday.

Cc Mrs. Will Miller near Sand Bay, very pleasantly surprised at a very pleasant surprise. Mrs. Miller had lived. Mrs. Miller, the former Bertha McCredie, has many friends and relatives in the Millburn vicinity. Friends brought cake, flowers and gifts and they received many cards. They have one adopted daughter, Mrs. Ralph McGuire who with her husband and two sons, lives near Rhineland, Wis., where they operate a summer resort.

Mrs. Gertrude Hamlin spent a few days this week for treatment at Victory Memorial hospital in Waukegan.

Cedar Lake Camp Royal Neighbors will hold their next meeting at

he usual place, the village hall, on Tuesday evening, March 9, with Dr. Matilda Bartlett in charge. Neighbors M. Hamlin and G. Avery will be in charge of the social hour which follows the meeting.

The Woman's Auxiliary of Millburn will sponsor a public card burn on Saturday evening, March 6 for the usual games of 500 and Pinochle with prizes and refreshments.

Mrs. L. J. Tweed at Monaville celebrated her birthday on Feb. 21 and her daughters, Mrs. Frances Barnstable, Mrs. Hilda Nader of Lake Villa and Mrs. Hazel Radu of Chicago and her son, Junior Tweed of Lake Villa came in with cakes and gifts in honor of the occasion. Her brother, Carl Sorenson and son, Robert, of Tomahawk, Wis., and her sister, Mrs. Eva Gaylord of Antioch were also present as well as the families of her son and daughters, making a very pleasant family gathering.

Mr. and Mrs. Kenneth McCord and daughter have moved into their new home on Grand avenue, known as the Sherwood home, later the Ekdahl home.

Several members of the Lake Villa school band directed by Mr. Thala Rush, took part in the district music festival at Plainfield last Saturday and brought home a number of first prizes, more than 20 second prizes and many third prizes. Many of the parents made the trip by car and enjoyed the occasion.

Mr. and Mrs. C. W. Reinbach have returned from a very pleasant Florida vacation and are ready for business at the store again.

Kermit Kemnitz of Minneapolis,

Minn., spent a few days last week with his aunt, Mrs. Henry Nader and husband.

Mrs. Lester Bunkelman went to Fond du Lac, Wis., last week because of the illness of Mr. Bunkelman's mother and Mr. Bunkelman and daughters went up over the week end.

The regular meeting of the Halcyon group was held Tuesday evening, February 23 in the church basement. Plans are being made for the group to hold a style show on May 5th in the Lake Villa Grade School gymnasium, if available on that date. Final arrangements will be made at the next meeting on March 23. Welcomed by the group was Mrs. Hazel Dewar. Hostesses for the evening were Bernice Armstrong, Ellen Petersen and Dorothy Barnstable.

Mrs. Mamie Cannon of Gurnee spent last week end at the home of her daughter, Mrs. Henry Bennecke. Mr. and Mrs. Paul Lawrason of Venetian Village who have been traveling through the western states, have returned to their home.

Oil Storage Tanks

Your heating oil storage tank faces a big danger—RUST which forms inside the tank as a result of accumulation of moisture.

Rust spells trouble. It causes costly leaks.

That's why we put Shell SONITOR in every customer's storage tank. Sonitor is a new chemical product that protects against rust and corrosion. Sonitor not only stops old rust from spreading, but prevents new rust from forming. This is a free service for all our customers who use Shell Furnace Oil. We'll be glad to include you, too—just give us a ring.

### AUTOMATIC WASHER AND DRYER

Save during this special offer... your Public Service store is  
offering generous trade-in allowances on new Thor automatic  
washers, wringer-washers and dryers. When you shop at the  
Public Service store or local dealer's, you're sure of quality at  
a price... and prompt service-call attention, if ever necessary.

**Thor AUTOMATIC ELECTRIC DRYER** \$239<sup>50</sup>  
REGULAR PRICE

TRADE-IN ALLOWANCE 30<sup>00</sup>

This is the dryer your clothes will turn off... no  
guesswork, no timers! An accurate temperature  
control shuts off heating element when clothes  
are "Dry" or "Damp Dry", you just set the dial  
for the one you want... and get it, automati-  
cally! You'll never have to stretch and bend and  
duck around hanging wet clothes, when you  
have a Thor automatic electric dryer!

**Thor AUTOMATIC WASHER** \$299<sup>50</sup>  
REGULAR PRICE

TRADE-IN ALLOWANCE 40<sup>00</sup>

Thor's "super-agitator" action is designed to  
give you cleaner clothes with less wear... and  
the built-in water and soap saver in your Thor  
saves up to 50% on hot water and soap. Select  
amount and temperature of wash water and  
toss clothes in. They'll wash, rinse four times and  
spin dry automatically! Holds 8 lbs. of dry  
clothes.

### Legion Americanism Essay Contest Ends; Winners Announced

Winners in the American Legion Americanism Essay contest were announced this week by Mrs. Lucy Himens, contest chairman for the local Legion Auxiliary. More than 40 entries were received.

First place winner in Class I, which includes 9th grade was Janet Rogers, followed by Carol Chinn, and Antoinette Nering. Honorable mention in this class went to Antoinette Dorio, Jeanne Fletraut, and Sandra McGee.

In Class II, 10th to 12th grade, Nancy Rentner was first place winner, second was Lynn Ryder, and third Anne Schurch. Honorable mention went to Roberta Jach, Millburn D. Cain and Joyce Carlson.

The winning essays have been sent to the district chairman for competition on a District basis and afterwards will be entered in the state contest. Subject of the essays was "My obligation to my country." Judges for the local contest were Mrs. Ardis Anzinger, Mrs. Lucille Krickmeister, and Mrs. Eileen Lewin.

Charles Watson of Camp Lake is reported much improved according to word from St. Catherine's hospital, Kenosha where he was taken following a heart attack Feb. 24.

### Sequoia Seniors to Travel to Glenbrook For Vocations Day

Forty-six members of the senior class at Antioch High school will journey to Glenbrook high school next Tuesday, March 9, for Vocations Day. The annual event will feature information on college work of various kinds. Coach Richard Scott will accompany the students.

#### OFFICERS CLUB OF ROYAL NEIGHBORS MEET

The newly organized Officers' club of the local lodge Royal Neighbors had their first meeting at Adolph's Channel Inn, Channel Lake, on Tuesday evening. Cards were played after the dinner and meeting. Officers of the new organization are Rose Masopust, president, and Annette Steiber, secretary and treasurer.

#### INCREASE IN INTEREST IN HOUSING RESEARCH

Work in housing research has attracted widespread interest during recent years, although women have worked quietly and unobtrusively for 25 years to solve various housing problems.

A study of the housing and equipment research done by home economists during the years 1925 through 1950 has been published by the University of Illinois. Helen E. McCul-

lough, who planned and reported the study, says 255 projects have been carried on in 48 colleges and universities and the U. S. Bureau of Human Nutrition and Home Economics. From these studies 115 publications have resulted in the form of bulletins, circulars, leaflets, and articles in professional and popular magazines.

Naturally home economists have not dealt with the construction and utilities of home planning, which belong to engineers and architects. Instead, their work is directed to interpreting family needs and applying their findings to the design and use of the house.

The studies are aimed at answering questions about how to plan the general arrangement and use of rooms, including areas for special activities, such as sewing, child play and laundry. Studies have been made on household equipment, interior decoration, housing costs, effects of housing conditions on people, and better ways to teach housing in schools.

Although the Illinois summary of the research in housing was made primarily to help research workers and teachers, others can profit from the housing publications that are available through state universities and the U. S. Department of Agriculture.
